

Whitewash Materials List

- ___4 pounds iodized salt
 - ___25 pounds hydrated lime-Type S
 - ___Electric drill (a battery one will not last-trust me!)
 - ___Mason brushes (it's a cheaper version of a stucco brush)
 - ___Acid brushes (works well for corners since it's narrower)
 - ___Drywall paddles or called mud mixer
 - ___Window scraper (optional for windows)
 - ___Painter's tape (optional)
 - ___5-gallon bucket with a lid
 - ___Rags
 - ___Water hose or pump sprayer
 - ___A color pigment may be added with the dry ingredients
 - ___6 Mil roll of plastic
 - ___A mop or wet/dry shop vac is needed
-
- ___Apron
 - ___Workboots
 - ___Safety glasses
 - ___Dust mask
 - ___Gloves-nitrile or latex
 - ___Ladders
 - ___Scaffolding
